

What is Rainbow?

The International Order of the Rainbow for Girls is a service and social organization for girls between the ages of 10 and 20. Rainbow prepares the girls of today to be the leaders of tomorrow by teaching girls leadership and public speaking skills, self-respect, confidence, integrity and character.

It gives girls opportunities to participate in and organize local and state service projects, fundraisers, meetings, and events.

Rainbow Girls...

Explore the world through travel...

Several times each year, girls are able to travel around the state for statewide meetings. They will also have opportunities to travel around the country or even the world!

Serve their community through volunteering...

Rainbow girls have several opportunities to volunteer and fundraise for both statewide and local service projects.

Develop leadership skills that last a lifetime...

Each girl can run for office on both a local and state level, giving them the chance to become a leader. They will get to choose a service project and plan fundraisers, meetings, and events for their own terms.

& Connect with girls around the world...

Through their travels, Rainbow Girls get to meet girls from all over the country and the world! They create friendships and memories that last a lifetime!

Rainbow gets girls ready for life!

Are you ready?
